Listed above are the rooms each Shrine Centre of the Northeast Shrine Association requested as their respective allocation. More rooms can be made available if required. As agreed, all Shrine Centres, with a few exceptions, are to book their rooms through Philae Shrine Recorders Office. In order to make the rooms financially affordable, Philae Shrine Centre has agreed to subsidize the rooms and charge only \$169.00 plus tax per room night. This equal a \$24.00 - \$57.00 reduction per night savings depending on the hotel. Any upgrades or hospitality suites are to be made with the individual hotels allocated to each Shrine Centre. Individuals or Shrine Centres are to reserve their rooms by submitting the Rooms Reservation Form along with the applicable amount to Philae Shrine Recorders Office. Once booked a confirmation number will be send to the individual. All rooms are to be booked no later than 15 Aug 10.
